

REGANO® FOR POULTRY

A HEALTHY GUT FOR HEALTHY POULTRY

Regano® is the most trusted natural feed additive that helps birds respond better to stress by strengthening immunity and increasing available energy for performance all the way through production.

HELPS OVERCOME STRESS RELATED TO:

- Environment
- Production
- Disease pressure
- Poor appetite

WHAT'S INSIDE:

STRONG ANIMALS® TECHNOLOGY

Essential Oils

Stimulate appetite, promote gut health and reduce pathogen load resulting in more energy for production.

Directions for Success:

See label for mixing rate per tonne of feed.

THE DIFFERENCE

Regano® is powered by Strong Animals® technologies that make it the most effective and trusted feed additive.
